Department Comments and Recommendation:

The City is purchasing this roadway marking paint from PPG. We have purchased paint from PPG in the past and are very pleased with the quality of paint and the speed at which we receive the product. This is MoDOT pricing tagging of contract number 605CO24000145. The purchase will refresh all the public white and yellow pavement markings to include lanes, stop bars, and arrows. This budgeted item is out of account 20-00-761500 Paint and will cost the city \$28,270.00. I recommend approval.

City Attorney Comments:
